Sculpted, stylish and bold

Its sporty character is embodied by the rugged wheel arch cladding, builds on the iconic design identity of the first KONA. And, mirroring the front for a harmonious overall look, the rear Seamless Horizon Lamp rounds out a unique LED lighting signature that really sets the all-new KONA apart from the crowd.

Versatile. Roomy. Modern.

Elegant and roomy, the all-new KONA has evolved, growing wider and longer to provide maximised living space, with generous leg and shoulder room throughout. A high-tech experience through and through, the crown jewel being the elegantly curved panoramic display. It features two integrated screens for intuitive usage and advanced connectivity: a 12.3" infotainment touch screen and 12.3" digital cluster.

Designed to fit everything you and your busy life can throw at it, the all-new KONA offers plenty of room for passengers and cargo. The generous boot space of 466 litres (VDA) is 30% larger than the previous KONA. It's also simple to adjust – you'll love the flexibility of the 40:20:40 folding rear seats. Fold down the middle segment and you can fit four pairs of skis and four passengers. And with the seats folded flat, you have a generous 1300 litres of space.
